EXAMINATION REGISTRATION PAYMENT AND SCHEDULING PROCEDURES

The Firefighter Candidate Assessment (FCA) is an open enrollment examination that candidates can schedule and test for at PSI test centers. Achievement of a passing score on the FCA is a requirement to apply for the City of Los Angeles' civil service examination for Firefighter. Prior to scheduling the exam, the candidate will need to complete an online account set-up and pay the exam fee. Once completed, the candidate can then use the online scheduling platform to choose a date and time that meets their availability. The last date to schedule your FCA is June 15, 2022. The last day to test is July 15, 2022.

Your examination eligibility expires, and your application is deemed abandoned if you fail to take the Firefighter Candidates Assessment (FCA) on or before July 15, 2022. This is the last date allowed for the Firefighter Candidate Assessment. A passing score on the FCA taken from 2016 through 2020 satisfies the FCA requirement. If you previously achieved a passing score on the FCA during any of the previous test windows, you must submit a City application, but you do NOT need to retake the FCA.
